PHOTOJOURNALISM JOUR330

T/TH 10-11:50 a.m.
ANN 209

In this course, taught by award-winning photojournalist/author Miki Turner, you’ll learn the fundamentals of operating a DSLR camera; how to turn your average snap shots into stunning images and how to tell compelling stories visually.

Additionally, you’ll learn lighting techniques; how to cover events; and how to enhance your work through various editing programs such as Light Room and PhotoShop.

Throughout the semester you’ll also get an opportunity to work with several noted professional photographers during their Master Class sessions.

JOUR330 is open to all majors. For more info contact Prof. Turner at: mpturner@usc.edu
