**Legend**

- <sup>1</sup> SOC Code - Allows students to search the occupational profile that the Certificate program prepares them for on the Occupational Information Network (O\*NET) at [www.onetonline.org/crosswalk/](http://www.onetonline.org/crosswalk/). DOL identified the Occupational Information Network (O\*NET) as a primary source of occupational information. O\*NET provides comprehensive occupational descriptions and data for use by job seekers. O\*NET provides a framework that identifies the most important types of information about work based on theory, experiment and observation. In addition, O\*NET allows occupational information to be applied across jobs, sectors, industries, and within occupations.
- <sup>2</sup> CIP Code - Links to additional occupational profiles on O\*NET ([www.onetonline.org/crosswalk/](http://www.onetonline.org/crosswalk/)).
- <sup>3</sup> Completion Rate - Number of student who completed the Certificate within normal time (published length of the Certificate)
- <sup>4</sup> Costs - Includes estimated tuition (20,784), fees (554), books/supplies (1,008), room/board (15,842), personal (1,828), and transportation (2,250) expenses
- <sup>5</sup> Loan Debt - Median loan (federal, private, institutional) debt incurred by students who complete the Certificate
