

# JOURNALISM: REENGINEERED

JOUR 490

## SHAPE THE FUTURE OF THE PROFESSION.

This is a class like no other.  
Half journalism students,  
half engineering students.

## JOIN THE TEAM.

Design, build and launch the next products  
that define how information will travel.  
Work on solving some of the most important  
problems of our time.

**Journalists:** No engineering experience necessary.  
**Engineers:** No journalism experience necessary.
