## Directed Research: Beyond the Xs and Os: Sports Production

#21431D/21686D, Miki Turner

Wednesdays, 6 p.m., 2 units

Take advantage of USC Annenberg's unique partnerships with USC Athletics live streaming team and the Pac-12 network to gain practical experience in sports production from live on-air reporting/play-by-play to shooting, pitching stories and producing/directing your own mini-documentary on a USC athlete or event. Some of that content may end up on the various Pac-12 platforms!
