Every semester, the USC Annenberg School for Communication and Journalism recognizes students who have achieved a GPA of 3.5 or higher (on 12 units or more of letter-graded course work) by placing them on the Dean's List. Students listed here reached this goal in spring 2021. These students serve as examples for the entire USC Annenberg community and inspire their peers with their achievements. On behalf of everyone at USC Annenberg, congratulations!
