JOUR 210x (2 units), 21080D, Fall 2024 Basics of Newsroom Production for Non-Majors

Instructions:

JOUR 210x Basics of Newsroom Production for Non-Majors (2 units) is offered every semester. The class format is unusual so students interested in enrolling must watch a short video addressing frequently asked questions. The video can be found on this info sheet: https://bit.ly/Jour210xInfo

Then you must contact Professor Bellantoni to get her signature on this completed form. You will bring that to the Advisement Office in the Annenberg Student Services Office (ASC 140). Once D-clearance is assigned, you will be notified via email and you will be able to register for this class via web registration.

Instructor:
